Conditions and
Restrictions**

Distribution conditions

Distribution channels: Focus Saver Account can only be issued or arranged to be issued by phone or in branch to ensure the product is only offered to eligible customers who complete the application process through channels that are subject to appropriate controls.

The Focus Saver Account is actively promoted to customers through:

- media campaigns which include but are not limited to statements, press, TV, website, digital, radio and social media channels; and
- Promotion by Police Credit Union staff and through advertising collateral available at Police Credit Union branches.

Process: Focus Saver Accounts are only offered by Police Credit Union staff who have been accredited and trained to offer the product. Police Credit Union will make relevant enquiries to ensure the prospective customer meets the eligibility condition and that the product otherwise meets the objectives, financial situation and needs of customers.

Review Triggers

The review triggers that would reasonably suggest that the TMD is no longer appropriate and would trigger a review of the TMD by Police Credit Union are:

- a significant dealing of the product to consumers outside the target market occurs.
- Material changes to the product such as:
 - fees or rates of interest and/or the way in which these are incurred/earned.
 - Changes to withdrawal limits or transaction methods.
- A material change in law, relevant industry codes or regulatory guidance that impacts the product.
- An Australian Financial Complaints Authority (AFCA) determination, court decision or enforcement activity which suggests that the product does not meet the target market's objectives or need.
- A material increase beyond expected levels in complaints, or a material change in the nature of complaints or disputes relating to the product.
- Any other event occurs, or information is received that reasonably suggests the target market is no longer appropriate such as:
 - high numbers of account closures beyond expected levels within a set period.
 - High numbers of consumers beyond expected levels switching to other accounts offered by the issuer.
 - Withdrawal of an access channel(s).
 - Changes to eligibility criteria.
